Our Summer Student's Message

Hi there! My name is Mandy Cmoc and I am the 2007 summer student at the Yorkton Chamber of Commerce. Its phenomenal how quickly summer has gone by! The Chamber has been super busy over the last four months of my work term. I have been renewing our website to ensure our members can receive up to date information, doing graphics work on posters and event tickets, creating a promotional video for our business package, updating the current business package, archiving Chamber photographs and articles, researching and producing a report on our local airport,

making morning radio announcements about upcoming events, and so much more! Speaking of those events, in July our 'Businesses of the Past' 125 float placed third, our Salute to Agriculture barbecue was a success with the highest attendance yet, and Cowboy Days was a definite highlight! As well, I had the opportunity to sit on Yorkton's 125 Committee, Waste Management Committee, Premier's Dinner Committee and attend Chamber Board Meetings. I am very excited to announce that a project I have been working on, the "Start Your Business in Yorkton" Business Package is one of three winners in a National Canadian Chamber of Commerce Competition. We will be competing for gold, silver or bronze, as well as a people's choice award at the Canadian Chamber Annual General Meeting in Markham, Ontario in September. We are the only Western Canadian Chamber to place in this competition. Our community, our sponsors and our chamber will be receiving national recognition. Congratulations Yorkton! I sincerely thank everyone at the Chamber of Commerce, especially Donna, Sherry and the Board and Executive members, for two fantastic summers working with the Chamber. The experiences, opportunities I have been given and friendships I have made are irreplaceable and unforgettable.
