

# COMMUNITY COURIER

## *Representing the Interests of Business for the Growth and Prosperity of Our Members and Communities*

### *President's Message*

Welcome to the 2007 year of the Yorkton Chamber of Commerce. It is a pleasure to have the opportunity to act as President for the up coming year. Yorkton in the past few years has had more happening than in the past 30. The economic outlook for our city is of progress and possibilities. With the new modern look of street lighting, to a renovated and upgraded multiplex, we have a community that rivals or exceeds anything in the Province and to a degree Western Canada.

**Rick Schrader**  
Chamber of Commerce President

The City of Yorkton has been receptive to our concerns on bylaw 14/2003 and will be conducting meetings to review the sections of the bylaw we feel are negative to business concerns. We will make sure as representatives of the business community not to let this important issue to fall off the table.

Upcoming issues always crop up and we will act on them in our member's interest.

Just a note to the readers in regards to our Luncheons, we have a faster format or sped up luncheon of; pay, hit the smorg, sit and agenda begins at 12:20 sharp to be done by 12:50 and you are back to work by 1:00. I know a lot of you have to be back at work and this faster format will allow that. Others with more time are welcome to linger and network after the agenda is done.

**PLEASE COME OUT FOR SOME GREAT INFORMATION SUCH AS LOUIS DREYFUS FOR FEB. 9TH.**

Future comments in this section of the courier will be done by our committee chairs in the up coming months. No sense hearing from me all the time when these are the people who do the real leg work.

By for now!

Rick
